JURY TRIAL DEMANDED

**MACY’S DEFENDANTS’ ANSWER AND AMENDED AFFIRMATIVE DEFENSES TO
THE SECOND AMENDED CONSOLIDATED CLASS ACTION COMPLAINT**

Macy’s, Inc., Macy’s Retail Holdings, Inc., now known as Macy’s Retail Holdings, LLC, and Macy’s Corporate Services, Inc., now known as Macy’s Corporate Services, LLC (collectively referred to as the “Macy’s Entities”), through their counsel, respectfully answer the Second Amended Consolidated Class Action Complaint of Plaintiffs David Mutnick, Steven Vance, Mario Calderon, Anthony Hall, Isela Carmean, Shelby Zelonis Roberson, Andrea Vestrand and Aaron Hurvitz (collectively, “Plaintiffs”), and state the following:

NATURE OF THE ACTION

1. Without providing any notice and without obtaining any consent, Defendants Clearview, Ton-That and Schwartz (collectively, the “Clearview Defendants”) covertly scraped three billion photographs of facial images from the internet – including facial images of millions of American residents and then used artificial intelligence algorithms to scan the face geometry of each individual depicted in the photographs in order to harvest the individuals’ unique biometric identifiers¹ and corresponding biometric information² (collectively, “Biometrics”). Further, the Clearview Defendants created a searchable biometric database (the “Biometric Database”) that

¹ As used herein, “biometric identifier” is any personal feature that is unique to an individual, including fingerprints, iris scans, DNA and “face geometry,” among others.

² As used herein, “biometric information” is any information captured, converted, stored, or shared based on a person’s biometric identifier used to identify an individual.

contained the above-described Biometrics and allowed users of the Biometric Database to identify unknown individuals merely by uploading a photograph to the database.

ANSWER: The allegations of this paragraph are not asserted against the Macy's Entities. Pursuant to Fed R. Civ. P. 8(b)(1)(B), no answer is required. To the extent an answer is required, the Macy's Entities lack knowledge or information sufficient to form a belief as to the truth of the allegations contained in this paragraph and therefore deny them.

2. The Clearview Defendants did not develop their technology out of a desire for a safer society. Rather, they developed their technology to invade the privacy of the American public for their own profit.

ANSWER: The allegations of this paragraph are not asserted against the Macy's Entities. Pursuant to Fed. R. Civ. P. 8(b)(1)(B), no answer is required. To the extent an answer is required, the Macy's Entities lack knowledge or information sufficient to form a belief as to the truth of the allegations contained in this paragraph and therefore deny them.

3. While the Clearview Defendants have touted their actions and the Biometric Database as being helpful to law enforcement and other government agencies, the Clearview Defendants have made their Biometric Database available to public and private entities and persons, alike. What the Clearview Defendants' technology really offers is a massive surveillance state. Anyone utilizing the technology could determine the identities of people as they walk down the street, attend a political rally or enjoy time in public with their families. One of Clearview's financial backers has conceded that Clearview may be laying the groundwork for a "dystopian future."

ANSWER: The allegations of this paragraph are not asserted against the Macy's Entities. Pursuant to Fed. R. Civ. P. 8(b)(1)(B), no answer is required. To the extent an answer is required, the Macy's Entities lack knowledge or information sufficient to form a belief as to the truth of the allegations contained in this paragraph and therefore deny them.

4. Accordingly, Plaintiffs, on behalf of themselves and similarly situated individuals, bring this action for damages and other legal and equitable remedies resulting from the actions of the Clearview Defendants, the Macy's Entities (the Clearview Defendants and Macy's Entities, collectively, "Defendants") and the Defendant Class Members for their unlawful creation and/or use of the Biometric Database consisting of the Biometrics of millions of American residents, including residents of Illinois, California, New York and Virginia. As alleged below, Defendants' conduct violated, and continues to violate, Illinois' Biometric Information Privacy Act ("BIPA"),

740 ILCS 14/1, *et seq.*, as well as other state constitutional, statutory and common laws, causing injury to Plaintiffs and Plaintiff Class Members

ANSWER: The Macy's Entities admit that Plaintiffs purport to bring this action on behalf of themselves and similarly situated individuals for damages and other legal and equitable remedies against the Clearview Defendants, the Macy's Entities, all other private entities that are allegedly similarly situated to the Macy's Entities and other Defendants. The Macy's Entities deny that they are similarly situated to other private entities with respect to the allegations in this paragraph and deny the remaining allegations asserted against them in this paragraph. The Macy's Entities lack knowledge or information sufficient to form a belief as to the truth of the allegations asserted in this paragraph against any Defendant other than the Macy's Entities and therefore deny them.

Pursuant to Fed. R. Civ. P. 8(b)(1)(B), no answer is required. To the extent an answer is required, the Macy's Entities lack knowledge or information sufficient to form a belief as to the truth of the allegations contained in this paragraph and therefore deny them.

16. At relevant times, Defendant Thomas Mulcaire was an attorney licensed in California, Clearview's General Counsel and the Vice President of Defendant Rocky Mountain. ANSWER: The allegations of this paragraph are not asserted against the Macy's Entities.

Pursuant to Fed. R. Civ. P. 8(b)(1)(B), no answer is required. To the extent an answer is required, the Macy's Entities lack knowledge or information sufficient to form a belief as to the truth of the allegations contained in this paragraph and therefore deny them.

17. Defendant Rocky Mountain Data Analytics LLC is a private, for-profit New Mexico limited liability company with its principal place of business in New Mexico. As alleged in more detail below, a unity of interest existed between Rocky Mountain, on the one hand, and Ton-That, Schwartz and Mulcaire on the other that caused the separate personalities of Rocky Mountain and Ton-That, Schwartz and Mulcaire to no longer exist. Further, as alleged in more detail below, Clearview is legally responsible for the actions and conduct of Rocky Mountain. At

relevant times, Rocky Mountain solicited business from potential Illinois customers and contracted with the Illinois Secretary of State. Rocky Mountain provided the Illinois Secretary of State with access to the Biometric Database and the Biometrics contained therein.

ANSWER: The allegations of this paragraph are not asserted against the Macy's Entities. Pursuant to Fed. R. Civ. P. 8(b)(1)(B), no answer is required. To the extent an answer is required, the Macy's Entities lack knowledge or information sufficient to form a belief as to the truth of the allegations contained in this paragraph and therefore deny them.

18. At relevant times, Defendant Macy's, Inc. was a Delaware corporation, that held itself out to as "one of the nation's premier retailers" with approximately 680 department stores and over 100,000 employees. Among the department stores, were stores located in Illinois.

ANSWER: The Macy's Entities admit that Macy's Inc. is a Delaware Corporation. The Macy's Entities deny the remaining allegations of this paragraph.

JURISDICTION AND VENUE

21. This Court has original jurisdiction over this controversy pursuant to 28 U.S.C. § 1332(d) because there are more than 100 Plaintiff Class Members and the aggregate amount in controversy exceeds \$5,000,000.00, exclusive of interest, fees, and costs, and at least one class member is a citizen of a state different from one of the Defendants. The Court has supplemental jurisdiction over all of the state law claims pursuant to 28 U.S.C. § 1367.

ANSWER: The allegations of this paragraph contain legal conclusions to which no answer is required. To the extent an answer is required, the Macy's Entities deny the allegations contained in this paragraph.

22. This Court has personal jurisdiction over the Clearview Defendants because their contacts with Illinois are directly related to the conduct alleged herein. As set forth in the Court's order in *Mutnick v. Clearview AI, Inc.*, No. 1:20-cv-512 (N.D. Ill) (Dkt. 86):

Ton-That and Schwartz founded Clearview in 2017. Ton-That and Schwartz have high-ranking positions in management and operations at Clearview. More specifically, Ton-That is Clearview's CEO and is responsible for managing Clearview's technological matters. Schwartz is Clearview's president managing Clearview's sales. Schwartz and Ton-That have contributed significant resources to Clearview's operations. Schwartz, for example, has paid for the servers and other costs necessary to carry out Clearview's scraping and scanning operations.

As Clearview's principals, Schwartz and Ton-That have executed hundreds of agreements on behalf of Clearview with numerous Illinois law enforcement and other government agencies, as well as private entities in Illinois, to provide access to its facial recognition database. Through these agreements, defendants have sold, disclosed, obtained, and profited from the biometric identifiers of Illinois citizens. Some the entities to whom Clearview sold biometric information include the Chicago, Rockford, and Naperville police departments. Also, Clearview marketed its licenses (user accounts) for its facial recognition database to the Illinois Secretary of State and negotiated a contract with the Secretary of State via a series of emails, mail, and phone calls. As to Clearview's price quote to the Secretary of State, set forth in a letter dated October 1, 2019, Clearview directed payments to be sent to Clearview AI/Attn: Richard Schwartz at Schwartz's residence in New York City.

Plaintiffs further maintain that defendants purposely directed their "illegal harvesting" at the State of Illinois. To clarify, the images contained in the facial recognition databases sold to Illinois entities were uploaded and created using internet-based platforms and websites from companies in Illinois or companies who operate servers in Illinois. Simply put, defendants took biometric information from Illinois residents, created a surveillance database, and then marketed and sold licenses to use this database to entities in Illinois. As a result, plaintiffs' privacy rights were violated.

ANSWER: The allegations of this paragraph are not asserted against the Macy's Entities.

Pursuant to Fed. R. Civ. P. 8(b)(1)(B), no answer is required. To the extent an answer is required, the Macy's Entities lack knowledge or information sufficient to form a belief as to the truth of the allegations contained in this paragraph and therefore deny them.

23. This Court has personal jurisdiction over Rocky Mountain and Mulcaire because their contacts with Illinois are directly related to the conduct alleged herein. According to Mulcaire's May 23, 2020 sworn declaration: (a) Rocky Mountain "is a special purpose entity that was used for the purpose of contracting with the Illinois Secretary of State"; (b) "[a]lthough [Rocky

Mountain] did submit a quote to the Chicago Police Department, other than the transaction with the Illinois Secretary of State, [Rocky Mountain] has not engaged in any other transactions related to Clearview's [biometric] database since its formation, and is not currently engaged in efforts to market or contract with parties for access to Clearview's database"; and (c) Rocky Mountain "has no employees, assets or products separate from those of Clearview" The Biometric Database that Rocky Mountain offered and provided to the Illinois Secretary of State was the same Biometric Database created by Clearview, with the same connection to Illinois as alleged in the preceding paragraph. At relevant times, Mulcaire was Rocky Mountain's Vice President and directly corresponded with the Illinois Secretary of State in connection with Rocky Mountain's efforts to obtain the Illinois Secretary of State's business. According to the Illinois Secretary of State's records, the "Vendor/Payee Name" for the entity providing the Biometric Database was "Thomas Mulcaire" and the "Vendor Name2/DBA" was "Rocky Mtn Data Analytics LLC." Further, according to publicly-available information from the Illinois Comptroller's Office, Thomas Mulcaire was paid \$5,000 in 2020, the amount invoiced by Rocky Mountain.

ANSWER: The allegations of this paragraph are not asserted against the Macy's Entities.

Pursuant to Fed. R. Civ. P. 8(b)(1)(B), no answer is required. To the extent an answer is required, the Macy's Entities lack knowledge or information sufficient to form a belief as to the truth of the allegations contained in this paragraph and therefore deny them.

24. The Court has personal jurisdiction over the Macy's Entities because their contacts with Illinois are directly related to the conduct alleged herein. On or about October 13, 2019, Macy's Corporate Services, Inc., on behalf of itself, Macy's, Inc. and Macy's Retail Holdings, Inc., entered into a contract with Clearview that, among other things, provided Clearview's "technology, database and investigative tools to Macy's, Inc." On information and belief, Macy's obtained access to the Biometric Database and the Biometrics contained therein in order to identify people whose images appeared in surveillance camera footage from Macy's retail stores, including their retail stores in Illinois. Macy's utilized the Biometric Database over 6,000 times, each time uploading a probe image to the database to have the database search the Biometrics contained therein, including the Biometrics of millions of Illinois residents, for a biometric match. On information and belief, based on the magnitude of the number of searches, Macy's uploaded one or more probe images from surveillance cameras located in Illinois.

ANSWER: Macy's Retail Holding, LLC and Macy's Corporate Services, Inc. admit that on or about October 13, 2019, Macy's Corporate Services, Inc. entered into a contract with Clearview. They deny all remaining allegations contained within this paragraph. Macy's, Inc. lacks knowledge of the allegations contained within this paragraph and therefore denies them.

25. Venue is proper in this District pursuant to 28 U.S.C. § 1391(b)(2) because, as alleged above, a substantial part of the acts or omissions giving rise to Plaintiffs' claims occurred in Illinois. Alternatively, venue is proper pursuant to 28 U.S.C. § 1391(b)(3) because the Court has

personal jurisdiction over Defendants. Additionally, venue is proper pursuant to 28 U.S.C. § 1407(a) and the Order of the United States Judicial Panel on Multidistrict Litigation transferring this multidistrict litigation to this Court.

ANSWER: The allegations of this paragraph contain legal conclusions to which no answer is required. To the extent an answer is required, Macy's Retail Holdings, LLC and Macy's Corporate Services, Inc. deny that all or part of the acts or omissions giving rise to Plaintiffs' claims against the Macy's Entities occurred in Illinois. Macy's, Inc. lacks knowledge of this allegation and therefore denies it. The Macy's Entities admit the United States Judicial Panel on Multidistrict Litigation transferred this multidistrict litigation to this Court, but deny that either the transfer order or 28 U.S.C. § 1407(a) suffices to establish proper venue. The Macy's Entities deny the remaining allegations of this paragraph because Illinois does not have general jurisdiction over the Macy's Entities, and Plaintiffs' claims do not arise out of or relate to the Macy's Entities' contacts with Illinois.

FACTUAL ALLEGATIONS

Biometric Identifiers

26. Every individual has unique features by which he or she can be identified using a set of standard quantitative measurements, commonly referred to as "biometric identifiers."

ANSWER: The Macy's Entities lack knowledge or information sufficient to form a belief as to the truth of the allegations contained in this paragraph and therefore deny them.

27. For example, the shape of and distance between tiny ridges on each person's finger are unique, so measures of those features can be used to identify a specific individual as the person who made a fingerprint.

ANSWER: The Macy's Entities lack knowledge or information sufficient to form a belief as to the truth of the allegations contained in this paragraph and therefore deny them.

28. Each person also has a unique facial geometry composed of, among other measurements, distances between key facial landmarks and ratios between those distances.

ANSWER: The Macy's Entities lack knowledge or information sufficient to form a belief as to the truth of the allegations contained in this paragraph and therefore deny them.

29. Once a picture of a person's face is scanned and its biometric measurements are captured, computers can store that information and use it to identify that individual any other time that person's face appears on the internet, in a scanned picture or in footage from any of the billions of cameras that are constantly monitoring the public's daily lives.

ANSWER: The Macy's Entities lack knowledge or information sufficient to form a belief as to the truth of the allegations contained in this paragraph and therefore deny them.

30. Unlike fingerprints, facial biometrics are readily observable and, thus, present a grave and immediate danger to privacy, individual autonomy, and liberty.

ANSWER: The Macy's Entities lack knowledge or information sufficient to form a belief as to the truth of the allegations contained in this paragraph and therefore deny them.

The Clearview Defendants' Unlawful Biometric Database

31. The Clearview Defendants have collected, captured and obtained Biometrics from more than three billion images they covertly scraped from the internet – including, on information and belief, the Biometrics of Plaintiffs and Class Members – which they have amassed into the searchable Biometric Database.

ANSWER: The allegations of this paragraph are not asserted against the Macy's Entities. Pursuant to Fed. R. Civ. P. 8(b)(1)(B), no answer is required. To the extent an answer is required, the Macy's Entities lack knowledge or information sufficient to form a belief as to the truth of the allegations contained in this paragraph and therefore deny them.

32. Additionally, the Clearview Defendants have distributed, disseminated, sold, traded, leased and otherwise profited from the Biometrics they unlawfully collected, captured and obtained.

ANSWER: The allegations of this paragraph are not asserted against the Macy's Entities. Pursuant to Fed. R. Civ. P. 8(b)(1)(B), no answer is required. To the extent an answer is required, the Macy's Entities lack knowledge or information sufficient to form a belief as to the truth of the allegations contained in this paragraph and therefore deny them.

33. To date, the Clearview Defendants have sold unfettered access to their vast Biometric Database to more than 7,000 individuals from approximately 2,000 law enforcement and government agencies, including the Chicago Police Department and the Illinois Secretary of State.

ANSWER: The allegations of this paragraph are not asserted against the Macy's Entities. Pursuant to Fed. R. Civ. P. 8(b)(1)(B), no answer is required. To the extent an answer is required, the Macy's Entities lack knowledge or information sufficient to form a belief as to the truth of the allegations contained in this paragraph and therefore deny them.

34. Moreover, the Clearview Defendants have sold unfettered access to the Biometric Database to more than 200 private companies, including the Macy's Entities and Defendant Class Members. Those private entities in turn frequently queried the Biometric Database for their own business purposes, including to identify particular individuals appearing in photographs or videos in their possession. Each time one of Clearview's private clients queried the Biometric Database, the Clearview Defendants' algorithms compared the facial geometry of the subject appearing in a chosen photograph or video against the facial geometry of each of the hundreds of millions of subjects appearing in the database, including the facial geometry of each of the Plaintiffs and Plaintiff Class Members. Thus, by obtaining access to and querying the Biometric Database, the Macy's Entities and Defendant Class Members necessarily obtained, accessed and used all of the Biometrics in that database, including the Biometrics of Plaintiffs and Plaintiff Class Members.

ANSWER: The Macy's Entities deny the allegations asserted against them in this paragraph. The Macy's Entities lack knowledge or information sufficient to form a belief as to the truth of the allegations asserted in this paragraph against any Defendant other than the Macy's Entities and therefore deny them.

35. At relevant times, the Clearview Defendants failed to store and protect from disclosure the highly sensitive Biometrics in the Biometric Database: (a) using the reasonable standard of care within Clearview's industry; and (b) in a manner that was the same or more protective than the manner in which the Clearview Defendants stored and protected other confidential and sensitive information. Evidence of the Clearview Defendants' lax security practices includes the fact that Clearview's electronic systems were hacked on at least two occasions in 2020.

ANSWER: The allegations of this paragraph are not asserted against the Macy's Entities. Pursuant to Fed. R. Civ. P. 8(b)(1)(B), no answer is required. To the extent an answer is required,

the Macy's Entities lack knowledge or information sufficient to form a belief as to the truth of the allegations contained in this paragraph and therefore deny them.

36. According to public reports, in one instance, the hackers obtained Clearview's customer list. In the other instance, hackers obtained access to a "misconfigured server" that exposed Clearview's internal files, apps and source code to anyone on the internet. The misconfigured server allowed anyone to run Clearview's software application and access the Biometric Database that contained the sensitive Biometrics of millions of United States residents, including Plaintiffs and Plaintiff Class Members.

ANSWER: The allegations of this paragraph are not asserted against the Macy's Entities. Pursuant to Fed. R. Civ. P. 8(b)(1)(B), no answer is required. To the extent an answer is required, the Macy's Entities lack knowledge or information sufficient to form a belief as to the truth of the allegations contained in this paragraph and therefore deny them.

The Corporate Fictions

37. At relevant times, a unity of interest existed between Clearview and its principals, Ton-That and Schwartz, that caused the separate personalities of Clearview and those principals to no longer exist. Moreover, adherence to the fiction of a separate corporate existence would promote injustice and inequitable consequences.

ANSWER: The allegations of this paragraph are not asserted against the Macy's Entities. Pursuant to Fed. R. Civ. P. 8(b)(1)(B), no answer is required. To the extent an answer is required, the Macy's Entities lack knowledge or information sufficient to form a belief as to the truth of the allegations contained in this paragraph and therefore deny them.

38. From Clearview's inception, Ton-That and Schwartz undercapitalized Clearview so that Clearview could not fulfill its obligations – namely, its legal obligations. Ton-That's and Schwartz's undercapitalization was especially egregious given that, as alleged herein, they built Clearview around an inherently unlawful business model that exposed Clearview to substantial legal liability at all times. Ton-That's and Schwartz's failure to adequately capitalize Clearview rendered, and continues to render, Clearview a mere liability shield.

ANSWER: The allegations of this paragraph are not asserted against the Macy's Entities. Pursuant to Fed. R. Civ. P. 8(b)(1)(B), no answer is required. To the extent an answer is required,

the Macy's Entities lack knowledge or information sufficient to form a belief as to the truth of the allegations contained in this paragraph and therefore deny them.

39. Further, at relevant times, Clearview directed its customers to send payments to Schwartz's personal residence. Moreover, Schwartz paid for the servers and other costs necessary to carry out Clearview's unlawful scraping and biometric scanning operations.

ANSWER: The allegations of this paragraph are not asserted against the Macy's Entities. Pursuant to Fed. R. Civ. P. 8(b)(1)(B), no answer is required. To the extent an answer is required, the Macy's Entities lack knowledge or information sufficient to form a belief as to the truth of the allegations contained in this paragraph and therefore deny them.

40. Additionally, Ton-That and Schwartz treated Clearview's Biometric Database as their own and transferred "ownership" of it as they saw fit. In or about September 2019, Rocky Mountain was organized and, shortly thereafter, contracted with the Illinois Secretary of State to provide the Secretary of State with access to the Biometric Database. Rocky Mountain represented that the Biometric Database was "its proprietary technology" and that Rocky Mountain was the "sole manufacturer and provider" of the Biometric Database. According to Rocky Mountain, "there is no other company that offers this product [the Biometric Database] and set of capabilities." On information and belief, based on Ton-That's and Schwartz's leadership positions within Clearview and the fact that they were responsible for the creation of the Biometric Database, Ton-That and Schwartz authorized and were directly involved in the creation of Rocky Mountain and responsible for allowing Rocky Mountain to sell access to the Biometric Database.

ANSWER: The allegations of this paragraph are not asserted against the Macy's Entities. Pursuant to Fed. R. Civ. P. 8(b)(1)(B), no answer is required. To the extent an answer is required, the Macy's Entities lack knowledge or information sufficient to form a belief as to the truth of the allegations contained in this paragraph and therefore deny them.

41. Notably, at relevant times, a unity of interest existed between Rocky Mountain, on the one hand, and Ton-That, Schwartz and Mulcaire on the other that caused the separate personalities of Rocky Mountain and Ton-That, Schwartz and Mulcaire to no longer exist. Moreover, adherence to the fiction of a separate corporate existence would promote injustice and inequitable consequences.

ANSWER: The allegations of this paragraph are not asserted against the Macy's Entities. Pursuant to Fed. R. Civ. P. 8(b)(1)(B), no answer is required. To the extent an answer is required,

the Macy's Entities lack knowledge or information sufficient to form a belief as to the truth of the allegations contained in this paragraph and therefore deny them.

42. Rocky Mountain was, in essence, a corporate shell that Ton-That and Schwartz did not capitalize at all.

ANSWER: The allegations of this paragraph are not asserted against the Macy's Entities. Pursuant to Fed. R. Civ. P. 8(b)(1)(B), no answer is required. To the extent an answer is required, the Macy's Entities lack knowledge or information sufficient to form a belief as to the truth of the allegations contained in this paragraph and therefore deny them.

43. Further, Ton-That, Schwartz and Mulcaire did not follow corporate formalities with respect to Rocky Mountain. For instance, Rocky Mountain's salesperson, in actuality, was a Clearview employee. On information and belief, Ton-That, Schwartz and Mulcaire authorized and directed that Clearview salesperson to double as a Rocky Mountain salesperson, all the while knowing that the salesperson would be paid for all of his work by Clearview. Further, on information and belief, Ton-That and Schwartz authorized Mulcaire to provide his personal information to the Illinois Secretary of State, knowing that by doing so the Illinois Secretary of State would make direct payment to him, not Rocky Mountain. Mulcaire, an attorney, ultimately provided his personal information to the Illinois Secretary of State, resulting in the Illinois Secretary of State submitting a voucher to the Illinois Comptroller authorizing payment to Mulcaire. The Illinois Comptroller ultimately issued a \$5,000 payment to Mulcaire.

ANSWER: The allegations of this paragraph are not asserted against the Macy's Entities. Pursuant to Fed. R. Civ. P. 8(b)(1)(B), no answer is required. To the extent an answer is required, the Macy's Entities lack knowledge or information sufficient to form a belief as to the truth of the allegations contained in this paragraph and therefore deny them.

44. Based on the same facts alleged in the preceding paragraphs, Clearview, itself, is also liable for the acts of Rocky Mountain because: (a) it was Rocky Mountain's parent; and (b) had control over and was involved in Rocky Mountain's misconduct. As alleged, Rocky Mountain's misconduct can be traced to Clearview, its parent, through the conduct of Ton-That, Schwartz and Mulcaire who were directly responsible for Rocky Mountain's activities. Rocky Mountain's activities – which included collecting, obtaining, distributing, disseminating, selling, leasing and profiting from the Biometrics of Plaintiffs and Plaintiff Class Members – resulted in Rocky Mountain violating the privacy rights of millions of American residents, including residents of Illinois, California, New York and Virginia. At all times, the injuries caused by Rocky Mountain's conduct were foreseeable.

ANSWER: The allegations of this paragraph are not asserted against the Macy's Entities. Pursuant to Fed. R. Civ. P. 8(b)(1)(B), no answer is required. To the extent an answer is required, the Macy's Entities lack knowledge or information sufficient to form a belief as to the truth of the allegations contained in this paragraph and therefore deny them.

Allegations Related to Plaintiffs

45. At relevant times, Plaintiff Mutnick uploaded from Illinois to various websites on the internet photographs taken in Illinois and containing images of his face. Further, at relevant times, photographs taken in Illinois and containing images of Plaintiff's face were uploaded by others to various websites on the internet. In creating the Biometric Database, Clearview searched millions of websites on the internet for image files. On information and belief, Plaintiff Mutnick's Biometrics are contained in the Biometric Database.

ANSWER: The Macy's Entities lack knowledge or information sufficient to form a belief as to the truth of the allegations contained in this paragraph and therefore deny them.

46. At relevant times, Plaintiff Vance uploaded from Illinois to various websites on the internet photographs taken in Illinois and containing images of his face. Plaintiff Vance has uploaded over 18,000 photographs to the internet, many of which contain images of his face. The Nationwide Class, Illinois Subclass, California Subclass, New York Subclass and Virginia Subclass are at times collectively referred to hereinafter as the “Plaintiff Classes.”

ANSWER: The Macy’s Entities admit Plaintiffs purport to bring this action pursuant to Federal Rule of Civil Procedure 23(b)(2)-(3) and 23(c)(4) on behalf of themselves and individuals who meet the definitions of the Plaintiff Classes proposed in Subparagraphs 65(a) – (e), but deny that any claim asserted against the Macy’s Entities are appropriate for certification of a class pursuant to either Fed. R. Civ. P. 23(b)(2), (b)(3) or (c)(4).

66. Excluded from the Plaintiff Classes are: (a) Defendants; (b) any parent, affiliate or subsidiary of any Defendant; (c) any entity in which any Defendant has a controlling interest; (d) any of Defendants’ officers or directors; and (e) any successor or assign of any Defendant. Also excluded are any judge or court personnel assigned to this case and members of their immediate families.

ANSWER: The Macy’s Entities admit Plaintiffs purport to exclude certain individuals from the proposed definitions of the various Plaintiff Classes, but deny that any claim asserted against the Macy’s Entities are appropriate for certification of a class pursuant to Fed. R. Civ. P. 23.

67. Additionally, on behalf of themselves and the members of the Plaintiff Classes, Plaintiffs bring this action against a class of entities similarly situated to the Macy’s Entities pursuant to Federal Rule of Civil Procedure 23(b)(2)-(3) and 23(c)(4), defined as follows:

Clearview Client Class: All non-governmental, private entities – including publicly-traded companies – who purchased access to, or otherwise obtained, the Biometric Database and then utilized the database to run biometric searches at a time when the Biometrics of one or more of the named Plaintiffs had already been captured, collected or obtained, and subsequently stored, by the Clearview Defendants.

ANSWER: The Macy’s Entities admit Plaintiffs purport to bring this action on behalf of themselves and the members of the Plaintiff Classes against a class of entities that Plaintiffs allege are similarly situated to the Macy’s Entities pursuant to Federal Rule of Civil Procedure 23(b)(2)-(3) and 23(c)(4), but deny that they are similarly situated to any member of the purported class of

entities, which Plaintiffs label the “Clearview Client Class,” and further deny it is appropriate to certify the Clearview Client Class pursuant to either Fed. R. Civ. P. 23(b)(2), (b)(3) or (c)(4).

68. The Plaintiff Classes and the Clearview Client Class are at times collectively referred to hereinafter as the “Classes”.

ANSWER: The Macy’s Entities admit that Plaintiffs sometimes refer to the Plaintiff Classes and the Clearview Client Class collectively as the “Classes,” but deny that any claim asserted against the Macy’s Entities are appropriate for certification of a class pursuant to either Fed. R. Civ. P. 23(b)(2), (b)(3) or (c)(4).

69. Plaintiffs reserve the right to amend or modify the class definitions with greater specificity or division after having had an opportunity to conduct discovery.

ANSWER: The Macy’s Entities deny Plaintiffs can indefinitely reserve their rights to amend or modify the class definitions and therefore deny the allegations contained in this paragraph.

70. **Numerosity:** Members of each of the Classes are so numerous that their individual joinder herein is impracticable. Upon information and belief, the members of the Plaintiff Classes number in the millions, and the number of members of the Clearview Client Class exceeds forty. The precise number of members of the Classes and their identities are unknown to Plaintiffs at this time but may be determined through discovery and objective data. Members of the Classes may be notified of the pendency of this action by mail, electronic mail, internet postings, social media and/or publication.

ANSWER: The allegations of this paragraph contain legal conclusions to which no answer is required. To the extent an answer is required, the Macy’s Entities deny that any claim asserted against them is appropriate for certification of a class pursuant to Fed. R. Civ. P. 23 and therefore denies the allegations asserted against them in this paragraph. The Macy’s Entities lack knowledge or information sufficient to form a belief as to the remaining allegations contained in this paragraph and therefore deny them.

71. **Commonality and predominance:** Common questions of law and fact exist as to all members of the Classes and predominate over questions affecting only individual members. Common legal and factual questions include, but are not limited to:

- a. Whether Defendants engaged in the wrongful conduct alleged herein;

- b. Whether Defendants and members of the Clearview Client Class captured, collected, obtained, accessed, created, stored, used, commercialized, disseminated, disclosed or redisclosed the Biometrics of Plaintiffs and members of the Plaintiff Classes;
- c. Whether the actions of Defendants and members of the Clearview Client Class violated state statutory, constitutional and common law;
- d. Whether Defendants and members of the Clearview Client Class properly informed Plaintiffs and members of the Plaintiff Classes that they were collecting, capturing, obtaining, creating, accessing, storing, using, commercializing, disseminating, disclosing and redisclosing their Biometrics;
- e. Whether Defendants and members of the Clearview Client Class obtained signed written releases or any other form or consent from Plaintiffs or members of the Plaintiff Classes to engage in the practices alleged herein;
- f. Whether Defendants and members of the Clearview Client Class used the Biometrics of Plaintiffs and members of the Plaintiff Classes to identify them;
- g. Whether Defendants and members of the Clearview Client Class acted negligently, recklessly or intentionally in, directly or indirectly, scraping individuals' photographs from the internet and/or using them to identify individuals based upon facial geometry;
- h. Whether Defendants and members of the Clearview Client Class should be enjoined from continuing their practices;
- i. Whether Defendants and members of the Clearview Client Class failed to provide notice that they were, directly or indirectly, scraping individuals' photographs from the internet and/or using them to identify individuals based upon facial geometry;
- j. Whether Defendants and members of the Clearview Client Class failed to provide notice that they were collecting, capturing, obtaining, accessing, using, storing and disseminating individuals' images, facial geometry and Biometrics;
- k. Whether Defendants and members of the Clearview Client Class provided any mechanism for members of the Plaintiff Classes to consent to their practices;
- l. Whether Macy's and members of the Clearview Client Class purchased or otherwise obtained access to the Biometric Database; and

- m. Whether Macy's and members of the Clearview Client Class collected, purchased, received through trade or otherwise obtained the Biometrics of Plaintiffs and members of the Plaintiff Classes.

ANSWER: The allegations contained in this paragraph and subparagraphs are legal conclusions to which no answer is required. To the extent an answer is required, the Macy's Entities deny that any claim asserted against them is appropriate for certification of a class pursuant to Fed. R. Civ. P. 23 and therefore deny the allegations asserted against them in this paragraph. The Macy's Entities lack knowledge or information sufficient to form a belief as to the remaining allegations contained in this paragraph and therefore deny them.

72. **Typicality:** The claims of the named Plaintiffs are typical of the claims of members of the Plaintiff Classes because Plaintiffs and all members of the proposed Plaintiff Classes have suffered similar injuries as a result of the same practices alleged herein. Plaintiffs have no interests to advance adverse to the interests of the other members of the proposed Plaintiff Classes. Similarly, the defenses of Macy's are typical of the defenses of members of the Clearview Client Class because Macy's and all members of the proposed Clearview Client Class have engaged in similar conduct and injured Plaintiffs and members of the Plaintiff Classes in similar ways. Plaintiffs are unaware of any interests of Macy's that are adverse to the interests of the other members of the Proposed Clearview Client Class.

ANSWER: The allegations of this paragraph contain legal conclusions to which no answer is required. To the extent an answer is required, the Macy's Entities deny that any claim asserted against them is appropriate for certification of a class pursuant to Fed. R. Civ. P. 23 and therefore deny the allegations asserted against them in this paragraph. The Macy's Entities lack knowledge or information sufficient to form a belief as to the remaining allegations contained in this paragraph and therefore deny them.

73. **Adequacy:** Plaintiffs are adequate representatives of the Plaintiff Classes because their interests do not conflict with the interests of the members they seek to represent, they have retained competent counsel experienced in prosecuting class actions, and they intend to prosecute this action vigorously. The interests of the members of the Plaintiff Classes will be fairly and adequately protected by Plaintiffs and their counsel. Similarly, the Macy's Entities are adequate representatives of the Clearview Client Class because their interests do not conflict with the interests of the members of the Clearview Client Class. Further, Plaintiffs anticipate that the Macy's Entities will retain competent and experienced counsel who will defend this action

vigorously. The interests of the members of the Clearview Client Class will be fairly and adequately protected by the Macy's Entities and their counsel.

ANSWER: The allegations of this paragraph contain legal conclusions to which no answer is required. To the extent an answer is required, the Macy's Entities deny that any claim asserted against the Macy's Entities is appropriate for certification of a class pursuant to Fed. R. Civ. P. 23 and therefore deny the allegations asserted against them in this paragraph. The Macy's Entities lack knowledge or information sufficient to form a belief as to the remaining allegations contained in this paragraph and therefore deny them.

74. **Superiority:** The class mechanism is superior to other available means for the fair and efficient adjudication of the claims and defenses of the members of the Plaintiff Classes and the Clearview Client Class. Each individual member of the Plaintiff Classes may lack the resources to undergo the burden and expense of individual prosecution of the complex and extensive litigation necessary to establish Defendants' and the Clearview Client Class's liability. Further, individualized litigation increases the delay and expense to all parties and multiplies the burden on the judicial system presented by the complex legal and factual issues of this case. Individualized litigation also presents a potential for inconsistent or contradictory judgments. In contrast, the class action device presents far fewer management difficulties and provides the benefits of a single adjudication, economy of scale and comprehensive supervision by a single court on the issue of the liability of Defendants and members of the Clearview Client Class. Class treatment of the liability issues will ensure that all claims and claimants are before this Court for consistent adjudication of the liability issues.

ANSWER: The allegations of this paragraph contain legal conclusions to which no answer is required. To the extent an answer is required, the Macy's Entities deny that any claim asserted against them is appropriate for certification of a class pursuant to Fed. R. Civ. P. 23 and therefore deny the allegations asserted against them in this paragraph. The Macy's Entities lack knowledge or information sufficient to form a belief as to the remaining allegations contained in this paragraph and therefore deny them.

75. In the alternative, the proposed classes may be certified because:

- a. The prosecution and defense of separate actions by each individual member of the proposed Classes would create a risk of inconsistent adjudications, which could establish incompatible standards of conduct for Defendants;

- b. The prosecution and defense of individual actions could result in adjudications that as a practical matter would be dispositive of the interests of non-party Class Members or which would substantially impair their ability to protect their interests; and
- c. Defendants acted or refused to act on grounds generally applicable to the proposed Classes, thereby making final and injunctive relief appropriate with respect to members of the proposed Classes.

ANSWER: The allegations of this paragraph and subparagraphs contain legal conclusions to which no answer is required. To the extent an answer is required, the Macy's Entities deny that any claim asserted against them is appropriate for certification of a class pursuant to Fed. R. Civ. P. 23 and therefore deny the allegations asserted against them in this paragraph. The Macy's Entities lack knowledge or information sufficient to form a belief as to the remaining allegations contained in this paragraph relating to any other Defendant and therefore deny them.

76. Pursuant to Rule 23(c)(4), particular issues are appropriate for certification – namely the issues described in paragraph 71 above, because resolution of such issues would advance the disposition of the matter and the parties' interests therein.

ANSWER: The allegations of this paragraph contain legal conclusions to which no answer is required. To the extent an answer is required, the Macy's Entities deny that any claim asserted against them is appropriate for certification of a class pursuant to Fed. R. Civ. P. 23 and therefore deny the allegations asserted against them in this paragraph. The Macy's Entities lack knowledge or information sufficient to form a belief as to the remaining allegations contained in this paragraph and therefore deny them.

ANSWER: The Macy’s Entities admit that each of them is a private entity. The Macy’s Entities lack knowledge or information sufficient to form a belief as to the allegations asserted in this paragraph against any Defendant other than the Macy’s Entities and therefore denies them. The remaining allegations in the paragraph are legal conclusions to which no answer is required. ANSWER: The Macy’s Entities admit that they are private entities. The Macy’s Entities lack knowledge or information sufficient to form a belief as to the allegations asserted in this paragraph against any Defendant other than the Macy’s Entities and therefore deny them. The remaining allegations in the paragraph are legal conclusions to which no answer is required. To the extent an answer is required, the Macy’s Entities deny that the remaining allegations of this paragraph

accurately state or summarize the provisions of 740 ILCS 14/15(c) through (e) and therefore deny them.

83. BIPA provides for a private right of action and allows a prevailing party to recover liquidated damages in the amount of: (a) \$1,000 or actual damages, whichever is greater, for negligent violations of its provisions; and (b) \$5,000 or actual damages, whichever is greater, for intentional or reckless violations of its provisions. 740 ILCS 14/20. BIPA also allows for the recovery of attorneys' fees and costs and injunctive relief. 740 ILCS 14/20.

ANSWER: The allegations of this paragraph contain legal conclusions to which no answer is required. To the extent an answer is required, the Macy's Entities deny that the allegations of this paragraph accurately state or summarize the provisions of 740 ILCS 14/20 and therefore deny them.

84. As alleged above, Defendants Clearview, Ton-That, Schwartz and the Macy's Entities and members of the Clearview Client Class violated BIPA by collecting, capturing, purchasing, receiving through trade and/or otherwise obtaining individuals' biometric identifiers and information, including the biometric identifiers and information of Plaintiffs Mutnick, Vance, Calderon, Hall and Carmean and members of the Illinois Subclass, without first providing the requisite written information and without obtaining the requisite written releases.

ANSWER: The allegations of this paragraph contain legal conclusions to which no answer is required. To the extent an answer is required, the Macy's Entities deny the allegations asserted against them in this paragraph. The Macy's Entities lack knowledge or information sufficient to form a belief as to the truth of the allegations asserted in this paragraph against any Defendant other than the Macy's Entities and therefore deny them.

85. The BIPA violations of Defendants Clearview, Ton-That, Schwartz and the Macy's Entities and members of the Clearview Client Class were intentional and reckless or, pleaded in the alternative, negligent.

The Macy's Entities lack knowledge or information sufficient to form a belief as to the truth of the allegations asserted in this paragraph against any Defendant other than the Macy's Entities and therefore deny them.

88. Unless and until enjoined and restrained by order of this Court, the wrongful conduct of Defendants Clearview, Ton-That, Schwartz and the Macy's Entities and members of the Clearview Client Class will continue to cause great and irreparable injury to Plaintiffs Mutnick, Vance, Calderon, Hall and Carmean and members of the Illinois Subclass in that their biometric identifiers and information can be viewed and used by unauthorized persons. Plaintiffs Mutnick, Vance, Calderon, Hall and Carmean and members of the Illinois Subclass have no adequate remedy at law for their injuries in that a judgment for monetary damages will not end the misuse of their biometric identifiers and information.

ANSWER: The allegations of this paragraph contain legal conclusions to which no answer is required. To the extent an answer is required, the Macy's Entities deny the allegations asserted against them in this paragraph. The Macy's Entities lack knowledge or information sufficient to

199. Under the principles of equity and good conscience, Defendants and members of the Clearview Client Class should not be permitted to retain the photographs, biometric identifiers

and information belonging to Plaintiffs and members of the Plaintiff Classes because Defendants and members of the Clearview Client Class unlawfully obtained that information.

COUNT SIXTEEN

DECLARATORY JUDGMENT ACT, 28 U.S.C. § 2201, *et seq.*

(By All Plaintiffs, on Behalf of Themselves and Members of the Plaintiff Classes, Against Defendants and Members of the Clearview Client Class)

201. Plaintiffs restate and reallege paragraphs 1 through 76 of this Second Amended Consolidated Class Action Complaint as though fully set forth herein.

ANSWER: The Macy's Entities restate and reincorporate by reference their answers to paragraphs 1 through 76 as if fully set forth herein.

202. Under the Declaratory Judgment Act, 28 U.S.C. § 2201, *et seq.*, this Court is authorized to enter a judgment declaring the rights and legal relations of the parties and grant further necessary relief. Further, the Court has broad authority to restrain acts, such as here, that are tortious and that violate the terms of the statutes described in this Second Amended Consolidated Class Action Complaint.

ANSWER: The allegations contained in this paragraph are legal conclusions to which no answer is required. To the extent an answer is required, the Macy's Entities deny the allegations contained in this paragraph.

203. An actual controversy has arisen in the wake of the unlawful collection, obtainment, purchase, trade, disclosure, dissemination, sale and/or misuse by Defendants and members of the Clearview Client Class of the photographs and Biometrics of Plaintiffs and members of the Plaintiff Classes without their consent, as alleged herein, in violation of the common law and statutory duties of Defendants and Members of the Clearview Client Class.

ANSWER: The allegations of this paragraph contain legal conclusions to which no answer is required. To the extent an answer is required, the Macy's Entities deny the allegations asserted against them in this paragraph. The Macy's Entities lack knowledge or information sufficient to form a belief as to the truth of the allegations asserted in this paragraph against any Defendant other than the Macy's Entities and therefore denies them.

204. Plaintiffs and members of the Plaintiff Classes continue to suffer injury and damages, as described herein, as Defendants and members of the Clearview Client Class continue to collect, obtain, purchase, trade, disclose, sell and/or misuse the photographs and Biometrics of Plaintiffs and members of the Plaintiff Classes.

ANSWER: The Macy's Entities deny the allegations asserted against them in this paragraph. The Macy's Entities lack knowledge or information sufficient to form a belief as to the truth of the allegations asserted in this paragraph against any Defendant other than the Macy's Entities and therefore deny them.

205. Pursuant to its authority under the Declaratory Judgment Act, this Court should enter a judgment declaring, among other things, the following:

- a. Defendants and members of the Clearview Client Class continue to owe a legal duty to not collect, obtain, purchase, trade, disclose, sell or otherwise misuse the photographs and Biometrics of Plaintiffs and members of the Plaintiff Classes under, *inter alia*, the state statutes and constitutional provisions described in this Second Amended Consolidated Class Action Complaint and the common law;
- b. Defendants and members of the Clearview Client Classes continue to breach their legal duties to Plaintiffs and members of the Classes by continuing to collect, obtain, purchase, trade, disclose, sell and otherwise misuse the photographs and Biometrics of Plaintiffs and members of the Plaintiff Classes; and
- c. The ongoing breaches by Defendants and members of the Clearview Client Class of their legal duties continue to cause harm to Plaintiffs and members of the Plaintiff Classes.

ANSWER: The Macy's Entities deny the allegations asserted against them in this paragraph and subparagraphs. The Macy's Entities lack knowledge or information sufficient to form a belief as to the truth of the allegations asserted in this paragraph against any Defendant other than the Macy's Entities and therefore deny them.

206. The Court should also issue corresponding injunctive relief, including, but not limited to: (a) enjoining Defendants and members of the Clearview Client Class from engaging in the unlawful conduct alleged in this claim; (b) requiring Defendants and members of the Clearview Client Class to delete all photographs and Biometrics of Plaintiffs and members of the Plaintiff Classes; and (c) cease further collection of photographs and Biometrics of Plaintiffs or members of the Plaintiff Classes or engaging in any activities that would result in the purchase, obtainment, disclosure, trade, sale or misuse of the photographs and Biometrics of Plaintiffs and members of the Plaintiff Classes. If an injunction is not issued, Plaintiffs and members of the Plaintiff Classes will suffer irreparable injury and lack an adequate legal remedy in the event the statutory or common law does not prohibit, among other things, the collection, purchase, obtainment, trade, disclosure, sale and misuse of the photographs and Biometrics of Plaintiffs and members of the Plaintiff Classes. Illinois in particular specifically constrains the collection, purchase, obtainment, trade, disclosure and sale of Biometrics and recognizes a person's right to maintain such personal information as private. In light of the pervasive flaunting of such rights by Defendants and members of the Clearview Client Class, including the continued collection, purchase, obtainment, trade, disclosure, sale and/or misuse of the photographs and Biometrics of Plaintiffs and members of the Plaintiff Classes, the risk of continued violations of Illinois law, other states' laws, and the common law is real, immediate and substantial. Plaintiffs and members of the Plaintiff Classes do not have an adequate remedy at law because many of the resulting injuries are reoccurring and Plaintiffs and members of the Plaintiff Classes will be forced to bring multiple lawsuits to rectify the same conduct.

ANSWER: The Macy's Entities deny the allegations asserted against them in this paragraph. The Macy's Entities lack knowledge or information sufficient to form a belief as to the truth of the allegations asserted in this paragraph against any Defendant other than the Macy's Entities and therefore deny them.

207. The hardship to Plaintiffs and members of the Plaintiff Classes if an injunction is not issued exceeds the hardship to Defendants and members of the Clearview Client Class if an injunction is issued. On the other hand, the cost to Defendants and members of the Clearview Client Class of complying with an injunction by adhering to the requirements of Illinois law, other states' laws and the common law by ceasing to engage in the misconduct alleged herein is relatively minimal, and Defendants and members of the Clearview Client Class have a pre-existing legal obligation to avoid invading the privacy rights of consumers.

ANSWER: The Macy's Entities deny the allegations asserted against them in this paragraph. The Macy's Entities lack knowledge or information sufficient to form a belief as to the truth of the allegations asserted in this paragraph against any Defendant other than the Macy's Entities and therefore deny them.

208. Issuance of the requested injunction will serve the public interest by preventing ongoing collection, purchase, obtainment, trade, disclosure, sale and misuse of the photographs and Biometrics of Plaintiffs and members of the Plaintiff Classes without consent, thus eliminating the injuries that would result to Plaintiffs and members of the Plaintiff Classes, and the hundreds of millions of Americans who upload photographs to social media sites.

ANSWER: The Macy's Entities deny the allegations contained in this paragraph.

AMENDED AFFIRMATIVE DEFENSES

The Macy's Entities deny the claims asserted by Plaintiffs. Notwithstanding, the Macy's Entities assert the following defenses without assuming any burdens of production or proof that, pursuant to law, belong to Plaintiffs. The Macy's Entities reserve the right to amend their answer and to assert any additional defenses as may become available or apparent during the course of this litigation.

FIRST AFFIRMATIVE DEFENSE
(ACTS OF OTHERS)

1. Plaintiffs' claims and the claims of the putative plaintiff class are barred, in whole or in part, because all or part of the damages alleged, if any, were caused by the acts or omissions of persons or entities other than the Macy's Entities for whose conduct the Macy's Entities are not legally responsible.

2. In contracting to provide services to the Macy's Entities, Defendant Clearview represented and warranted that:

- a. It shall not include any biometric data results of Illinois residents;
- b. It shall perform all services in a timely and professional manner;
- c. It shall not infringe or violate the rights of others;
- d. The acts and omissions of Defendant Clearview would not be construed as imposing liability upon the Macy's Entities;
- e. Defendant Clearview shall obtain all licenses and other governmental authorizations and approvals required for the performance of its obligations under the parties' agreement;
- f. Defendant Clearview shall perform its obligations under the parties' agreement in accordance with all applicable laws and regulations;
- g. Defendant Clearview would take every step necessary to ensure that its product and services are used correctly and lawfully;
- h. Defendant Clearview would use and handle any personal information provided to it by the Macy's Entities for purposes of performing services under the agreement in compliance with all applicable laws, including all laws governing the privacy, confidentiality and security of personal information;

- i. Defendant Clearview shall notify the Macy's Entities of any actual or suspected security breach, hacking, unauthorized disclosure, access to, acquisition of or other loss or use of personal information relating to Defendant Clearview's performance of services under the parties' agreement; and
- j. Defendant Clearview shall implement and maintain a written information security program and perform other commercially reasonable security measures to safeguard personal information and other data it receives in connection with performing the services under the parties' agreement and in compliance with applicable privacy laws.

SECOND AFFIRMATIVE DEFENSE

(GOVERNMENT CONTRACT EXCEPTION)

3. Plaintiffs' and the putative plaintiff class members' BIPA claims are barred, in whole or in part, because BIPA includes an exemption for "a contractor, subcontractor, or agent of a State agency or local unit of government when working for that State agency or local unit of government." 740 ILCS 14/25.

4. On the occasion that the Macy's Entities availed themselves of Defendant Clearview's services, it did so while engaged by law enforcement for a state agency or local unit of government to assist in the investigation of burglaries, acts of retail theft and other criminal activity.

THIRD AFFIRMATIVE DEFENSE
(PHOTOGRAPH EXEMPTION)

5. Plaintiffs' and the putative plaintiff class members' BIPA claims are barred, in whole or in part, because BIPA expressly excludes from the definition of biometric identifiers both photographs and information derived from photographs. 740 ILCS 14/10.

6. The sole conduct attributable to the Macy's Entities involve submitting a photograph to Defendant Clearview pursuant to the parties' agreement.

FOURTH AFFIRMATIVE DEFENSE
(INAPPLICABILITY OF BIPA)

7. Plaintiffs' claims and the claims of the putative plaintiff class are barred, in whole or in part, because while providing services to the Macy's Entities, Defendant Clearview did not include any biometric data results of Illinois residents.

FIFTH AFFIRMATIVE DEFENSE
(STATUTE OF LIMITATIONS)

8. Plaintiffs' claims and the claims of the putative plaintiff class are barred, in whole or in part, by the applicable statute of limitations, as follows:

Claim	Statute of Limitations	Authority
Section 15 (b) of BIPA	5 years	<i>Tims v. Black Horse Carriers, Inc.</i> , 2021 IL App (1st) 200563 ¶ 33 (Sept. 17, 2021).
Commercial Misappropriation Cal. Civ. Code § 3344(A)	2 years	<i>Youngevity Int'l, Corp. v. Smith</i> , 224 F. Supp. 3d 1022, 1027 (S.D. Cal. 2016) (citing <i>Yeager v. Bowlin</i> , 693 F.3d 1076, 1081 (9th Cir. 2012))
California Common Law Right of Publicity	2 years	<i>Yeager</i> , 693 F.3d at 1081 (citing <i>Christoff v. Nestle USA, Inc.</i> , 47 Cal. 4th 468 (2009))
Section 15(c) of BIPA	1 year	<i>Tims v. Black Horse Carriers, Inc.</i> , 2021 IL App (1st) 200563 ¶ 33 (Sept. 17, 2021).
California Constitutional Right to Privacy	1 year	<i>Cain v. State Farm Mut. Auto. Ins.</i> , 62 Cal. App. 3d 310, 313 (Cal. Ct. App. 1976); <i>Lauter v. Anoufrieve</i> , 342 F. Supp. 2d 1060, 1104 (C.D. Cal. 2009)
N.Y. Civ. Rights Law §§ 50-51	1 year	<i>Nussenzweig v. diCorcia</i> , 9 N.Y.3d 184, 188 (2007); <i>Gibson v. SCE Grp., Inc.</i> , 391 F. Supp. 3d 228, 250 (S.D.N.Y. 2019)

9. The Macy's Entities ceased using Defendant Clearview's services in or before March 2020.

10. The acts or omissions giving rise to the claims of Plaintiffs and the putative class arose prior to the applicable statute of limitations.

11. As a result, Plaintiffs' and the putative plaintiff class members' claims are barred to the extent the claims were raised outside of the statute of limitations to assert such claims.

SIXTH AFFIRMATIVE DEFENSE
(ACUIESCENCE, ASSUMPTION OF RISK, CONSENT, ESTOPPEL, RATIFICATION AND WAIVER)

12. Plaintiffs' claims and the claims of the putative plaintiff class are barred, in whole or in part, by the doctrines of acquiescence, assumption of risk, consent, estoppel, ratification and waiver.

13. In providing the services to the Macy's Entities, Defendant Clearview did not use any non-open source information, defined as scraping public-facing websites for images or copying, collecting, storing or otherwise using said images in violation of a website or entity's terms and conditions for use of such images and any information contained therein.

14. By posting images of themselves or others on public-facing website, Plaintiffs and the putative class members consented to, ratified and acquiesced in the use of such images and any information contained therein in accordance with the terms and conditions of the website to which such images were posted.

15. Further, by undertaking such actions, Plaintiffs and the putative class members assumed the risk that such images would be available for use by third-parties like Defendant Clearview.

16. Likewise, by posting images on public-facing websites, Plaintiffs and the putative class members had no expectation of privacy in such images or any information contained therein. Plaintiffs and the putative class members therefore waived and should be estopped from complaining of claims based on such conduct.

SEVENTH AFFIRMATIVE DEFENSE
(STANDING)

17. Plaintiffs' claims and the claims of the putative plaintiff class are barred, in whole or in part, because they have not suffered a concrete and particularized injury as a result of the Macy's Entities' actions and any purported injury is not fairly traceable to the alleged conduct of the Macy's Entities, so any relief sought would not redress any such injury.

18. Further, they are barred by the doctrine of standing as Plaintiffs and the putative class members have not been aggrieved by any BIPA violation committed by the Macy's Entities.

EIGHTH AFFIRMATIVE DEFENSE
(NO NEGLIGENT, INTENTIONAL OR RECKLESS CONDUCT)

19. Plaintiffs' claims and the claims of the putative plaintiff class are barred, in whole or in part, by the Macy's Entities' good faith, and the absence of negligent, intentional, or reckless conduct.

20. To the extent that Plaintiffs' and the putative plaintiff class members' BIPA and other state law claims apply to the Macy's Entities' conduct, the Macy's Entities are not liable because it relied in good faith upon the representation and warranties Defendant Clearview made in the parties' agreement and the Macy's Entities' reasonable interpretation of BIPA's statutory language and the requirements of California, Virginia, and New York law.

21. As a result, any alleged violation was not negligent, intentional, or reckless.

22. Further, the Macy's Entities acted at all times in good faith and without malice, willfulness, or reckless indifference, barring any recovery of punitive or exemplary damages by Plaintiffs and the putative class members.

NINTH AFFIRMATIVE DEFENSE
(FAILURE TO MITIGATE DAMAGES)

23. Plaintiffs' claims and the claims of the putative plaintiff class are barred, in whole or in part, by their failure to mitigate their damages, if any, and any recovery should therefore be reduced or denied accordingly.

TENTH AFFIRMATIVE DEFENSE
(CLASS ALLEGATIONS)

24. Plaintiffs' claims and the claims of the putative plaintiff class are barred, in whole or in part, because the requirements for the certification of a plaintiff, defendant or issue class are not met.

ELEVENTH AFFIRMATIVE DEFENSE
(UNCONSTITUTIONAL DAMAGES)

25. Plaintiffs' claims and the claims of the putative plaintiff class are barred, in whole or in part, as they seek unconstitutional damages under BIPA, a statute that violates the United States and Illinois Constitutions both facially and as applied to this case. The statutory damages Plaintiffs seek under BIPA constitute an unconstitutional penalty in violation of the due process and equal protection guarantees, and other substantive and procedural safeguards afforded by the First, Fifth, Sixth, and Fourteenth Amendments to the United States Constitution. Furthermore, BIPA is unconstitutionally vague, as it on the one hand imposes grossly excessive damages wholly unrelated to any actual harm, while at the same time making damages discretionary without any basis for how courts and juries should weigh this discretion. This leads to an arbitrary assessment of damages as it lacks any standards or factors to which parties, judges and juries can assess a

damages award that comports with the due process and equal protection guaranties of the United States Constitution.

WHEREFORE, Macy's, Inc., Macy's Retail Holdings, Inc., now known as Macy's Retail Holdings, LLC, and Macy's Corporate Services, Inc., now known as Macy's Corporate Services, LLC, respectfully request that the Court dismiss the Second Amended Consolidated Class Action Complaint with prejudice, enter judgment in their favor, and grant such other and further relief as it deems just.
